

ENDE GELÄNDE!

August & November 2017 in the Rhineland

Here and no further
We create a climate of justice!

Gliederung

I The situation

- Climate Change, Capitalism, Lignite coal

II The resistance

- Ende Gelände – what happened so far
- Ende Gelände 2017

III Take part

IV Questions

The Situation

- Climate Change

- Voluntary COP21 Commitments: 3 – 4°C warming
 - Tipping points
 - IPCC warning:
 - Conflicts for water and resources
 - Extreme weather events
 - Increasing inequality
- Climate change is already a social problem

The Situation

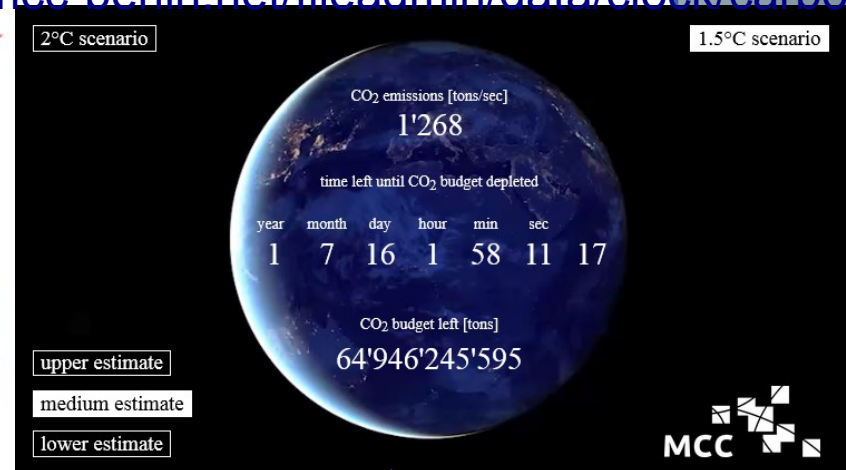

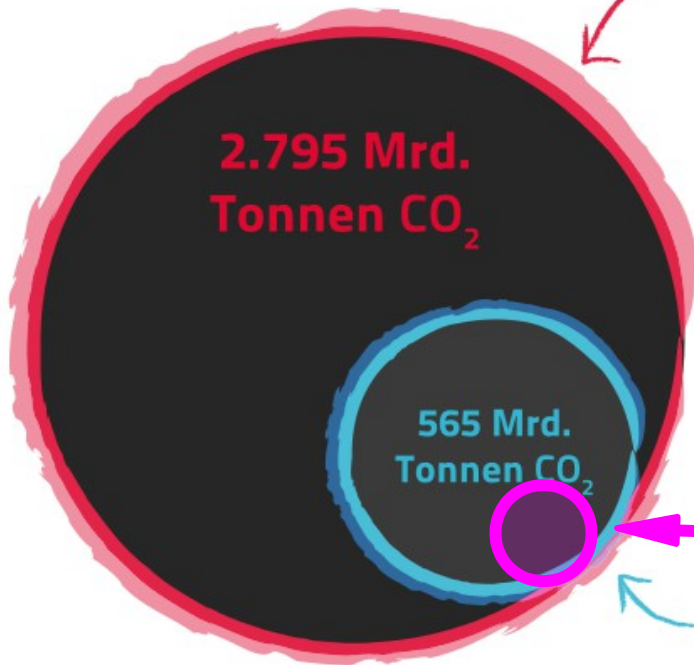

Capitalism

- Profit instead of needs
- Based on inequality, exploitation and fossil energy
- 330.000 people disconnected from electricity 2016 in Germany
- Growth is inevitable within current system
- Green capitalism lacks solution to many problems
 - there cannot be infinite growth on a finite planet

The Situation

- erneuerbare Energien
- Atom
- Erdgas
- Braunkohle
- Steinkohle
- Sonstige

Die Situation

Energiemix bleibt ausgewogen

Struktur des Primärenergieverbrauchs in Deutschland 2016

gesamt 13.383 PJ oder 456,7 Mio. t SKE

Anteile in Prozent (Vorjahr in Klammern)

AGEB
AG Energiebilanzen e.V.

Sonstige einschließlich
Stromausgleichsbeitrag **0,4 (0,4) %**

Erneuerbare **12,6 (12,4) %**

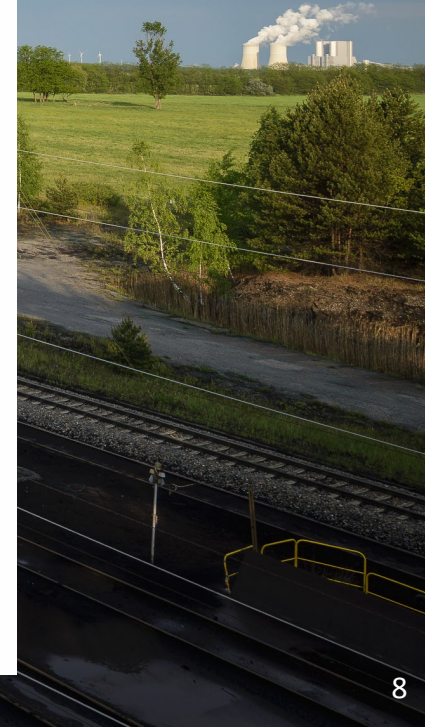

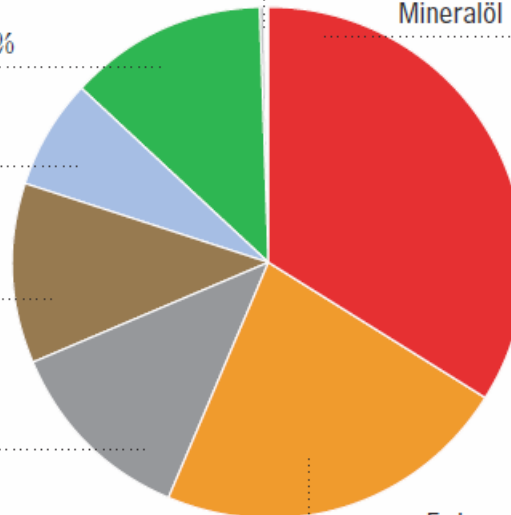

Kernenergie **6,9 (7,6) %**

Braunkohle **11,4 (11,8) %**

Steinkohle **12,2 (12,9) %**

Mineralöl **34,0 (34,0) %**

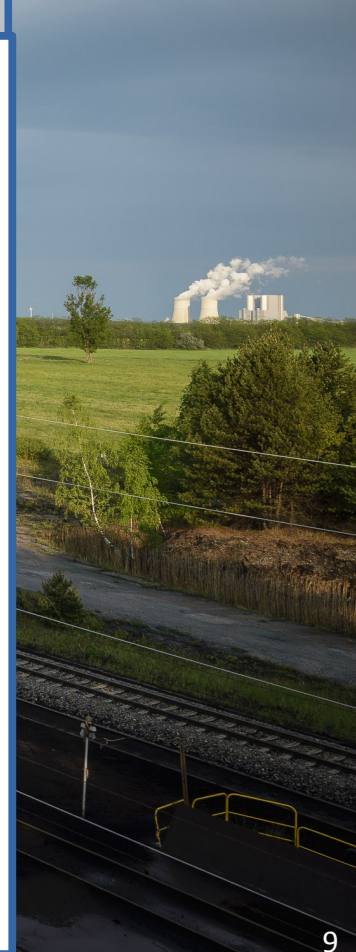

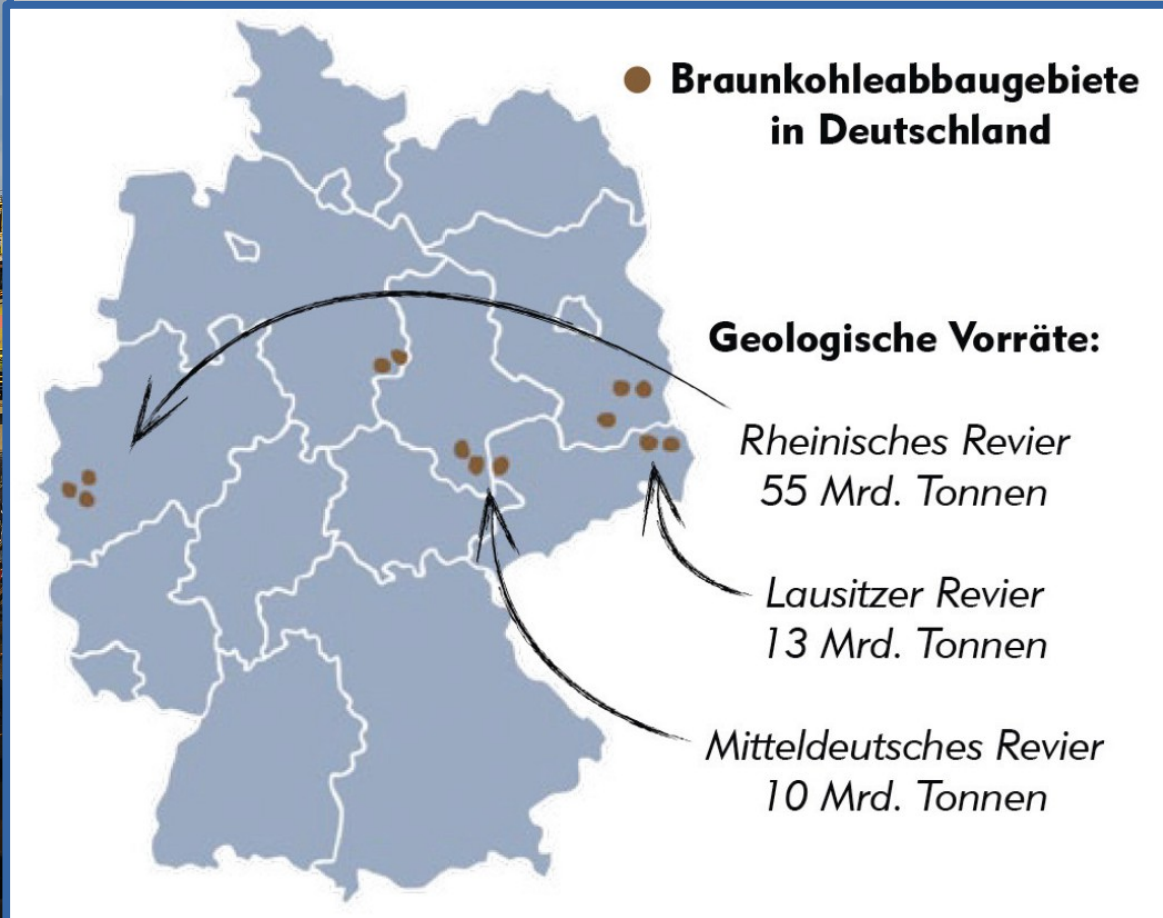

Erdgas **22,6 (20,9) %**

The Situation

Lignite in Germany

The Situation

Dirty lignite

- Lowest efficiency
- highest CO₂-emissions per kWh electricity
- Health threats by
 - Particulate matter and air pollutants
 - Mercury
 - Uranium
- Large scale landscape destruction
- Enforced resettlement (300 villages, 110.000 people)

Absturzgefahr

Resistance

- Rhineland
 - Climate Camps since 2010 (with blockades of coal trains, since 2014 blockades of diggers, 2016 action laboratory)
 - Human chain 2015, citizens' groups
 - Forest occupation Hambacher Forst
- Lusatia
 - Camp since 2011 and human chain 2014
 - Citizens' groups
 - Lautonomia 2016
 - Ende Gelände 2016

The resistance

Ende Gelände 2015

- Climate Camp in the Rhineland
 - ca. 1.600 people from 50 different countries
 - Klimacamp & Degrowth Summer School
 - More than 50 Workshops about ecology, capitalism, activism, etc.
 - Alternativ lifestyle & networking
- Ende Gelände
 - Large action of civil disobedience for climate justice: 1.500 people!

Resistance

Ende Gelände 2016

- Lausitzcamp: 4000 people, amongst them 1500 internationals
- Blockade of coal infrastructure: diggers, trains, power plant
- Power plant was running on reduced capacity
- Blockade for over 48 hours
- Part of breakfree 2016

Ende Gelände 2017

Different levels of action and involvement

Ende Gelände 2017

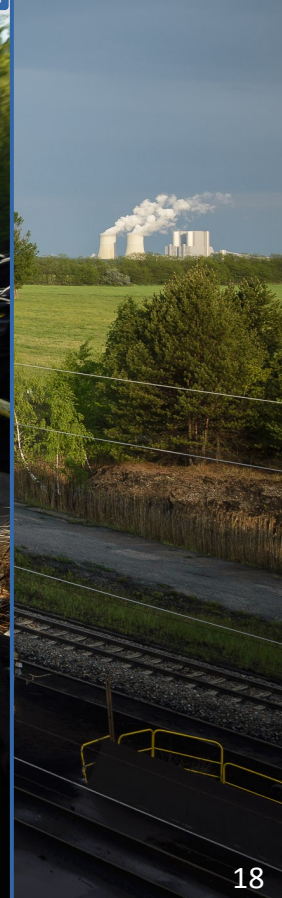

Different levels of action and involvement

Ende Gelände 2017

Different levels of action and involvement

Ende Gelände 2017

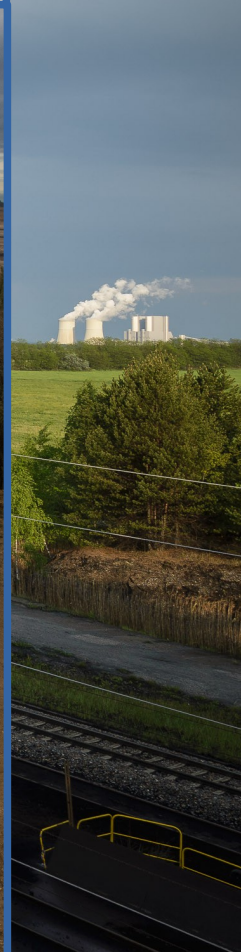

We are determined

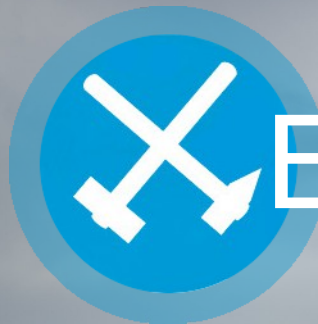

Ende Gelände 2017

We don't let them stop us

Ende Gelände 2017

Illegal and legitimate

Legal aspects

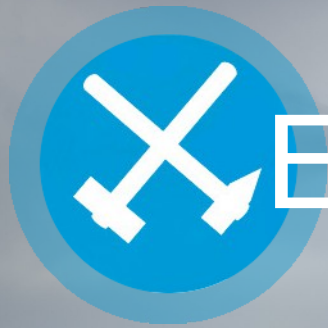

- **EG 2015**
 - Accusation Trespassing
 - So far only exculpation
 - By civil law: order to refrain
- **EG 2016**
 - Liberal interpretation by prosecutor
 - Entering pit and train tracks: no offense
- **General**
 - Potentially other accusations possible
 - Many activists don't bring their ID

Ende Gelände 2017

In august we plan a long lasting blockade

Ende Gelände 2017

August: long lasting blockade

- Refrain power plants from coal supply
- During climate camp
- time of action 24. - 29.8.
- EG will be part of area concept
- „We create a climate of justice“
- Red lines will be a combining symbol
- Putting the end of coal on the political agenda (German parliamentary elections sep 2017)

Ende Gelände 2017

In november right before COP23

Ende Gelände 2017

Action Consensus

- **Openly announced mass blockade**
- We will behave **calmy and considerately**, we will not bring escalation, we will not endanger people
- We will use our bodys to **blockade and occupy** coal infrastructure, we will not destroy or harm that infrastructure
- We show solidarity with everyone who acts in resistance against climate destruction by coal power plants and mines
- We are part of a global movement and welcome people from all backgrounds

Ende Gelände – Who is that?

One of many actors in the climate justice movement

- **Coalition of people with various backgrounds**

Social movements

- **Left and green political groups**
- **Grassroot groups**
- **NGOs**
- **Anti nuclear movement**

- **Working groups**
- **Planning meetings every 6 weeks**
- **External structures**
- **Open to new people**

Ende Gelände - „background“ work

Antirepression

Kohle unten lassen statt Protest unterlassen

- Antirepressionskampagne
- RWE versucht durch Unterlassungserklärungen Protest zu verhindern
- Kohle wird *unterlassen?* gelassen

**UNTEN
LASSEN**
